2014

Name	What I did after Leaving Homefield Preparatory School	What I am doing now
Rohan Chandran Eldred	Studied at Kingswood House Prep and Sutton Grammar School	Currently in year 12
Roscoe Howard	Moved school because of home move	Attending college
Wesley Hsu	I left for Sutton Grammar School following my 11+ exams. I went on to study Maths, Further Maths, Physics, Chemistry and History from all-rounded academic and physical base following Homefield, allowing me to achieve 5 A*s in the above subjects. I then left for Imperial College London to study Aeronautical Engineering, so far placing in the top 10% of my cohort	I am currently an Officer Cadet (OCdt) in the University of London's Officer Training Corps while I am studying Aeronautical Engineering - with the British Army partly sponsoring my degree studies. I intend to commission into the Army Reserves in the summer of 2023, and to commission into the Regular Army in 2026.
Shrey Sachdeva	Studied at Kings College Wimbledon	Studying BSc Business and Management at University of Exeter
