Dear Parents,

Cook Stars is excited to begin as an after school cookery club at Homefield Preparatory School.

The sessions are filled with good food, plenty of hands-on and life skill experience, in a fun and relaxed environment! Our classes are designed with little chefs in mind. Each week your child will learn to cook alternate sweet and savoury dishes that they'll love to eat, e.g. pizza, muffins, bread.

Each child has their own workstation and creates their own delicious dish from scratch. They take their dish home along with a recipe card to keep. Each child will take part in a fun craft activity whilst the dishes are cooking and enjoy a snack. Children are kept busy and entertained the entire time! Our sessions provide everything your child will need – aprons, ingredients, equipment and packaging to take their dish home.

This is a new opportunity for your child to enjoy and learn. Spaces are limited, but we hope to accommodate as many of our little Cook Stars as we can.

The club will run as follows:

Day	**Year Groups**	**Time**	**Cost per session**	**Cost for the term (11 weeks)**
Monday	Reception - Year 2	3:50-4:55pm	£15	£165
Thursday	Years 3-6	3:55-4:55pm	£15	£165

Please see the details below for how to sign up.

We can't wait to welcome your children!
